

## Marketing & Sales

SigmaGraft Biomaterials has Marketing & Sales Department. In this Department, we have several positions. They are: Marketing, Business Development, and Inside Sales and Customer Service.

Do you consider yourself creative? Have experience in using software to create and design marketing contents? Apply to Marketing. How about experience in developing relationship with new customers? Do you think in strategic ways to grow your network? Do you get excited about things and like sharing them with others? Apply to Business Development. Do you consider yourself as an organized person? Do you like helping others? Apply to Inside Sales and Customer Service.

**Career development:** Many of our entry-level employees gain experience and become leaders in their field. See where your SigmaGraft journey can take you.

**Benefits:** Our range of benefits can include health care, 401(k) savings plans, paidtime off and more! Find out which benefits you'll get after you choose your role with us.

### Responsibilities

**Marketing:** Develop and execute marketing, communications, and promotional programs; create marketing campaigns for social media, tradeshows, and seminar/webinar events.

**Business Development:** Establish and develop business relationships and create product distribution channels through business to business, non-profit/for-profit organizations, and universities.

**Inside Sales & Customer Service:** Maintain multiple sales orders, submit customer quotes, handle customer inquiries, and provide overall customer service throughout the sales cycle

### Apply

Submit your inquiry to [info@sigmagraft.com](mailto:info@sigmagraft.com) about a job opportunity or submit your resume. Should we find that you have relevant experience or skills, we will contact you.
